## Lamanai

One of the most popular and memorable tours available from San Pedro! A full day of adventure takes you to the mainland, then

on a jungle river ride, up the old Northern River to the beautiful village of Bomba - an excellent place for gorgeous Zericote wood carvings. From there, enjoy seeing the diverse Belizean countryside and local villages as you travel along the unspoilt Pan American Highway to Orange Walk. Here you will resume your jungle river ride and your guide will enthral you with a narrated river tour of the varied bird-life and native flora. Along the way you

will see a Menonile settlement where they live without modern conveniences according to their traditions. On arriving at the ancient Mayan citadel of Lamanai, noted as one of the largest Mayan ceremonial centers in Belize, you can visit the museum, take in the spectacular panoramic view of the lush jungle, the Maya mountains and

the New River Lagoon, and photograph intricate Mayan carvings. The jungle walk will bring you to all the temples on the site and you are also sure to have the opportunity to see native wildlife such as howler monkeys and toucans

Trip leaves 7am - returns 5.30pm  
Includes lite breakfast, lunch,  
bottled water and drinks.

## Cave Tubing & Belize Zoo or Cave Tubing & Zip Line

A thrilling experience awaits those who take this tour. First a boat will take you to Belize City where you will take a bus for just a short ride beyond the city to the jungle. Walking through the jungle, your guide will teach you about the native flora and fauna. You will then have a relaxing ride downstream, as your personal inner tube floats you towards Belize's massive underground cave system

Your headlight will illuminate the spectacular caves and

fantastic stalactites and stalagmites. After this refreshing ride in cool, clear waters, you will enjoy a local lunch before heading to the Belize Zoo.

Here you will see many of the native animals of Belize in natural style enclosures, including jaguar, puma, lapir, coatamundi, howler monkeys and a wide variety of birds.

Trip leaves 7am - returns 5.30pm  
Includes orange juice, a lite breakfast,
